Indian Ocean creates luxurious outdoor furniture and design concepts for balconies, gardens and super-yachts. Elegant and comfortable 'heritage' pieces are the core of its work, as is a commitment to the finest materials and finishes. Seen here is an 'Albany' teak table with 'California Director' chairs. Ring 020 8675 4808, or visit [indian-ocean.co.uk](http://indian-ocean.co.uk).

Made from the finest oak, Gazze Burvill's 'Broadwalk Tree' seat can fit around a sculpture or tree trunk in your garden. An innovative piece of furniture, it features a backrest that curves upwards to maximise comfort and comes in a variety of sizes, but it can also be customised to fit a customer's particular space. Visit [gazzeburvill.com](http://gazzeburvill.com).

Since 1977 Bridgman has been creating timeless and elegant furniture using only the finest materials, whether rattan, rope, teak or aluminium. Suitable for both the home and garden, each piece fuses traditional and contemporary design touches while also showcasing innovative craftsmanship. Visit [bridgman.co.uk](http://bridgman.co.uk).

Sutherland has unveiled a new collection, by Vincent van Duysen, that's inspired by the work of that mid-century design heavyweight, Jean-Michel Frank. The pieces feature modular elements, offering enhanced flexibility. Sutherland Furniture, Design Centre Chelsea Harbour, London SW 10 (020 3904 6904; [sutherlandfurniture.com](http://sutherlandfurniture.com)).

The Heveningham Collection uses only the highest-quality materials in its manufacturing process to create stylish and elegant outdoor furniture. The designs include dining sets, chaises-longues, armchairs and tables as well as bar stools, benches and swing seats. All pieces are suitable for any climate.
